

Wing Walking Booking Terms and Conditions

These were agreed by you at the time of booking your Wing Walk and are simply available here for reference

1. Your £750 total sponsorship is made up of; a £50 booking fee paid by the participant which goes straight towards hospice care; £400 wing walk and training fee; £300 sponsorship towards our patient care. Any money raised over this amount is classed as additional sponsorship and goes directly to patient care so every penny you raise over the minimum required is worth it. Please note we cannot claim Gift aid on any registration or sponsorship donations for this event. Please note matched funding from companies cannot be included in your £750 minimum sponsorship – this is classed as additional sponsorship.
2. In order for you to cover the cost of the training and the wing walk, you must raise the minimum sponsorship level of £700 (not including your booking fee).
3. After you have booked and paid your £50 booking fee, **the remaining £700 must be paid to St Gemma's Hospice two weeks after your wing walk date-** see point 4 for online fundraising. This payment is non-refundable even if the wing walk doesn't take place – we can however transfer your booking to an alternative date. **If the money is not received by St Gemma's Hospice two weeks after the event date, you will be chased by the Hospice and asked to provide this money as soon as possible.** Money can be paid by a guaranteed cheque or cash or credit/debit card over the phone 0113 218 5505. If you do not believe you will manage to raise enough money to cover the minimum amount required on time we would encourage you to book an alternative date in the future, **or you could pay the outstanding balance from your own account to ensure you can provide the sponsorship on time.** This is in place to protect St Gemma's Hospice against loss of patient funds.
4. If you raise money via an online fundraising page such as **Virgin Money Giving or JustGiving all your sponsorship will come directly into our bank account.** We will check your online fundraising page to ensure the money is raised by the deadline. If you have only raised part of the amount required on your online page then you will still need to pay the outstanding balance. Any offline funds need to arrive at the Hospice two weeks after your wing walk. Alternatively, the money can be paid into your online sponsorship page by banking the money into your own account and then paying it onto the online page via your credit/debit card. If there is any money outstanding you will be expected to pay the difference. *If you are connected to the event participant (i.e. wife, husband, civil partner, brother, sister, parent, grandchild, the wife, husband or civil partner of a relative, a company under control of the donor or under control of the connected persons) you are unable to Gift Aid your donation as the fundraiser is receiving a benefit (part of the sponsorship will cover the cost of the skydive).*
5. Should the weather be unsuitable for your wing walk on the day, we will be able to help you to rearrange a date with the airfield. Please allow a whole day for this as weather can change throughout the day and you may wing walk at a later time than previously booked.
6. The maximum weight limit for this is 77Kg (12 stone 2lbs). By signing up to this event you are confirming that you are (or will be) under this weight limit on the day of your Wing Walk and understand that if you exceed this weight limit on the day you will not be allowed to take part.
7. All booking fees are completely non-refundable. However, the standard booking fee is valid for twelve months from the date of booking and should you be unable to complete your wing walk due to inclement weather, alternative arrangements will be made.
8. I confirm that I am physically fit and have read and fully understood the fitness and medical requirements as detailed in the FAQs.
9. I accept all the risks inherent in the experience and I agree for myself and my personal representatives to indemnify and hold harmless St Gemma's Hospice against any claim or claims whether on my own account or from third parties arising out of any accident or incident resulting in any loss or damage (including bodily injury and death).
